Staff Biographies

David Robins - Career Advisor & Instructor

David has been a trainer and facilitator at JVS for 10 years and recently added Career Advisor to his roles. He has been a Certified Professional in Learning and Performance (CPLP), working in global companies, small consulting firms, nonprofits and government, honing his craft for over 30 years. He specializes in teach LinkedIn for Job Search and facilitating the 50+ Job Search Strategy Group.

Jim Dowling - Program Manager, Technology Training

Jim, a Certified Career Development Facilitator, helps people get beyond their stuck places and assists them in developing new tools and resources for personal and professional success. Previously, Jim was the Training and Logistics Manager of the San Francisco Department of Elections and the owner of Change with Purpose Coaching.

Alejandra (Alex) Vila - Interim Program Manager

Alex has 28 years of experience in education and human development, with 20 of those years spent in executive leadership roles. She is a wellknown trainer and keynote speaker who uses dynamic professional development techniques. Her focus on evidence-based practices and replicable strategies create programs that are high quality and relevant for job seekers.

Sesa Pabalan - Senior Partnerships Coordinator

Sesa brings a wealth of skills to her role including outreach, event planning, marketing, recruitment, and customer success. Sesa currently works to identify, develop, and grow volunteer and employer relationships for JVS programs to benefit and result in making connections for job seekers and deepen partnerships for JVS.

Holley Newmark - Instructor

After a successful career in sales and as a corporate sales trainer, Holley found her calling in nonprofits and brought her passion for helping others and exceptional presentation skills to JVS. She specializes in helping people learn how to present themselves to employers.

Kate Lorch - Professional Development and Instructional Design Manager

Kate has developed her passion for responsive facilitation and career development over the past 20 years. She attended Brown University for her master of arts in Teaching and earned National Board Certification for teachers in 2008.
